

SVENSKA VETERINÄRGRUPPEN

Hi there! Are you our new colleague?

Are you a licensed veterinarian **with a couple of years of experience** and interested in working and living in Sweden? We warmly invite you to express your interest and apply to us, and we will take it from there.

We are Svenska Veterinärgruppen, a group of local veterinary clinics and animal hospitals across Sweden, dedicated to providing the highest quality of veterinary services for all furry family members. Our clinics are independently run by local clinic managers who benefit from the opportunities and support offered by being part of our group, including professional advice and continuing education. We prioritize and value the development of our skilled and compassionate staff, whose goal is always to deliver world-class veterinary care.

We are currently seeking experienced licensed veterinarians for several of our clinics across the country. These clinics are: [Mjönäs Djurklinik](#), [Alingsås Djursjukhus](#), [Veterinärkliniken i Kalmar](#) and [Djurläkarna Nord in Gällivare](#).

Salary from 2800€ /Gross/ month depending on the experience.
We offer a permanent contract with a 6-month probationary period.

If you think you have a relevant profile and can see yourself at one of the above clinics and locations, please let us know. We look forward to your application! Send your CV to Anna.caesson@svenskavet.se with a copy to eures.nordicos@sepe.es.
